PROXY STATEMENT

This Proxy Statement is being furnished in connection with the solicitation of Proxies by and on behalf of our board of directors to be used at our Annual Meeting of Stockholders to be held on Wednesday, October 23, 2002, and at any adjournment thereof (the Annual Meeting), for the purposes set forth in the accompanying Notice of Annual Meeting. Our Annual Report for the fiscal year ended December 31, 2001 accompanies this Proxy Statement. This Proxy Statement and accompanying materials are expected to be first sent or given to our stockholders on or about September 30, 2002.

The close of business on September 19, 2002 has been fixed as the record date (the Record Date) for the determination of the stockholders entitled to notice of and to vote at the Annual Meeting. Only holders of record as of that date of shares of our Class A common stock, \$.01 par value per share, or of our Class B common stock, \$.01 par value per share, are entitled to notice of and to vote at the Annual Meeting. Our Class A common stock and our Class B common stock are sometimes collectively referred to herein as our "Common Equity."

Each share of our Class A common stock entitles the holder thereof to one vote per share on each matter presented to stockholders for approval at the Annual Meeting. Each share of our Class B common stock entitles the holder thereof to 10 votes per share on each matter presented to stockholders for approval at the Annual Meeting. On the Record Date, there were 28,291,403 shares of our Class A common stock and 26,688,814 shares of our Class B common stock, for a total of 54,980,217 shares of our Common Equity, outstanding and entitled to vote.

Execution of a Proxy by a stockholder will not affect such stockholder's right to attend the Annual Meeting and to vote in person. Any stockholder who executes a Proxy has a right to revoke it at any time before it is voted by advising Stephen M. Merkel, our Secretary, in writing of such revocation, by executing a later-dated Proxy which is presented to us at or prior to the Annual Meeting, or by appearing at the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in and of itself constitute revocation of a Proxy.

The required quorum for the transaction of business at the Annual Meeting is a majority of the collective voting power represented by the shares of our Common Equity issued and outstanding on the Record Date (the Total Voting Power), which shares must be present in person or represented by Proxy at the Annual Meeting. Assuming a quorum, the nominees receiving a plurality of the Total Voting Power present in person or by Proxy at the Annual Meeting and entitled to vote on the election of directors will be elected as directors.

With regard to the election of directors, votes may be cast in favor or withheld; votes that are withheld will be counted for purposes of determining the presence or absence of a quorum but will have no other effect. Broker non-votes, if any, will be counted for purposes of determining the presence or absence of a quorum, but will have no effect on the election of directors. Pursuant to the trust agreement governing our Deferral Plan, the trustee of our Deferral Plan will not, except as otherwise required by law, vote shares of our Class A common stock held in the trust as to which the trustee has not received voting instructions from plan participants.

UNLESS SPECIFIED OTHERWISE, THE PROXIES WILL BE VOTED FOR THE ELECTION OF ALL THE NOMINEES TO SERVE AS OUR DIRECTORS UNTIL THE NEXT ANNUAL MEETING AND UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED. IN THE DISCRETION OF THE PROXY HOLDERS, THE PROXIES WILL ALSO BE VOTED FOR OR AGAINST SUCH OTHER MATTERS AS MAY PROPERLY COME BEFORE THE ANNUAL MEETING. MANAGEMENT IS NOT AWARE OF ANY OTHER MATTERS TO BE PRESENTED FOR ACTION AT THE ANNUAL MEETING.

Our principal executive offices are located at 135 East 57th Street, New York, NY 10022 and our telephone number there is (212) 938-5000.

COMPENSATION OF DIRECTORS

Directors who are also our employees do not receive additional compensation for serving as directors. On October 19, 2001, we granted each of our three non-employee directors at the time options to purchase 30,000 shares of our Class A common stock at an exercise price per share equal to \$5.10.

These options vest in three equal installments beginning on the first of three semi-anniversaries of the date of grant. Effective February 11, 2002, Mr. Dalton was granted an option to purchase 30,000 shares of our Class A common stock at an exercise price per share of \$8.95 in connection with his election to our board. Under our current policy, each of our non-employee directors is granted an option to purchase 30,000 shares of our Class A common stock in connection with his initial election to our board and an option to purchase 10,000 shares of our Class A common stock each year he serves as a director thereafter. In addition, non-employee directors receive annual compensation of \$25,000. They also receive cash compensation of \$2,000 for each meeting of our board of directors and \$1,000 for each meeting of a committee of our board of directors actually attended, whether in person, by telephone or otherwise. However, none of our non-employee directors will be paid more than \$3,000 in the aggregate for attendance at meetings held on the same date. Non-employee directors also are reimbursed for all out-of-pocket expenses incurred in attending meetings of our board of directors or committees of our board of directors.

MEETINGS AND COMMITTEES OF OUR BOARD OF DIRECTORS

Our board of directors held eight meetings during the year ended December 31, 2001. In addition to meetings, our board of directors and its committees reviewed and acted upon matters by unanimous written consent.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee of our board of directors consists of Messrs. Breeden, Carter and Moran. All of the members of the Compensation Committee are non-employee directors and are not former officers. During 2001, none of our executive officers served as a member of the board of directors or on the compensation committee of a corporation where any of its executive officers served on our Compensation Committee or on our board of directors.

REPORT OF THE COMPENSATION COMMITTEE OF OUR BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The Compensation Committee reviews and recommends to our board of directors for its approval the salaries and bonuses of our executive officers. In addition, the Compensation Committee grants awards under our Long-Term Incentive Plan and administers our Long-Term Incentive Plan and our Employee Stock Purchase Plan, which has been suspended as a result of the events of September 11, 2001.

Compensation Philosophy

Our executive compensation program is designed to integrate compensation with the achievement of our short and long-term business objectives and to assist us in attracting, motivating and retaining the highest quality executives.

Executive compensation is comprised of three components: (i) a base salary, which is designed to attract talented employees and contribute to motivating and rewarding individual performance; (ii) an incentive bonus of cash, stock and/or options, which is intended to tie financial reward with the achievement of our short-term performance objectives; and (iii) a long-term incentive program, which is designed to promote the achievement of long-term performance goals and to align the long-term interests of our executive officers with those of our stockholders.

The Compensation Committee generally intends that compensation paid to our Chief Executive Officer and the other Named Executive Officers not be subject to the limitation on tax deductibility under Section 162(m) of the Internal Revenue Code, as amended (the Code), so long as this can be achieved in a manner consistent with the Committee's other objectives. Section 162(m) generally eliminates a corporation's tax deduction in a given year for payments to certain Named Executive Officers in excess of \$1 million, unless the payments result from "qualified performance-based compensation."

Base Salary Compensation

The Compensation Committee believes that the retention of executives who have developed the skills and expertise required to lead our organization is vital to our competitive strength. The Compensation Committee further believes that attracting other key employees who can supplement the efforts of our existing executives is absolutely critical. To this end, it is the Compensation Committee's policy to establish base pay at competitive levels.

Incentive Bonus Compensation

The Compensation Committee believes that compensation should vary with corporate performance and that a significant portion of compensation should continue to be linked to the achievement of business goals.

Grants of Stock Options

It is the policy of the Compensation Committee to award stock options to our executive officers and other key employees in order to align their interests with those of our long-term investors and to help attract and retain these persons. The options, therefore, provide value to the recipients only if and when the market price of our Class A common stock increases above the option grant price. To that end, there is ongoing review by the Compensation Committee of the market price of our Class A common stock and the grant price of options. It is the Compensation Committee's goal to preserve this incentive as an effective tool in motivating and retaining executives.

In 2001, options to purchase 2,275,000 shares of our Class A common stock were granted by our Compensation Committee to the Named Executive Officers.

Compensation of Our Chief Executive Officer

In 2001, Mr. Lutnick was paid a salary of \$400,000 and a bonus of \$600,000. Mr. Lutnick was granted options to purchase 1,500,000 shares of our Class A common stock in 2001, which vest and become exercisable quarterly over a four year period from the date of grant, October 19, 2001. The Compensation

Committee considered several factors in establishing our Chief Executive Officer's compensation package, including market pay practices, performance level, contributions toward achievement of strategic goals and our overall financial and operating success.

PERFORMANCE GRAPHS

The first performance graph below shows a comparison of the cumulative total return, on a dividend reinvestment basis, measured on December 10, 1999 (the date of our initial public offering), December 31, 1999, December 31, 2000 and December 31, 2001 assuming \$100 was invested on December 10, 1999 in our Class A common stock, our former selected peer group, our new selected peer group and the S&P 500. The second performance graph below shows a comparison of the cumulative total return, on a dividend reinvestment basis, measured on October 5, 2001 (the date of resumption of trading of our Class A common stock after September 11, 2001) and September 20, 2002 assuming \$100 was invested on October 5, 2001 in our Class A common stock, our former selected peer group, our new selected peer group and the S&P 500. Our former peer group consisted of Ariba, Commerce One, FreeMarkets and VerticalNet, which also operate business-to-business electronic marketplaces. Our new peer group includes Ariba and FreeMarkets, but we have replaced Commerce One and VerticalNet with Instinet and ITG because we believe that Instinet and ITG better represent our current business line and are more commercially viable than the companies we replaced. The returns of each peer group company have been weighted according to its stock market capitalization for purposes of arriving at a peer group average.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

THE FORMATION TRANSACTIONS

Concurrently with our initial public offering, Cantor contributed to us certain of our assets. These assets primarily consist of the proprietary software, network distribution systems, technologies and related contractual rights that comprise our eSpeed(R) system. In exchange for these assets, we issued to Cantor 43,999,900 shares of our Class B common stock, representing approximately 98% of the voting power of our capital stock outstanding at the time. Cantor converted 3,350,000 of these shares into the shares of our Class A common stock which it sold in our initial public offering in December 1999.

We entered into the agreements described below in connection with the formation transactions and to help define the terms of our relationship with Cantor in the future. In an effort to mitigate conflicts of interest between us and Cantor, we and Cantor have agreed that none of these agreements may be amended without the approval of a majority of our disinterested directors.

JOINT SERVICES AGREEMENT

Under our Amended and Restated Joint Services Agreement, as amended, with Cantor and services agreements with TradeSpark, Freedom and Municipal Partners, LLC, we own and operate the electronic trading systems and are responsible for providing electronic brokerage services, and Cantor, TradeSpark, Freedom and Municipal Partners, LLC provide voice-assisted brokerage services, clearance, settlement and other fulfillment and related services, such as credit and risk management services, oversight of client suitability and regulatory compliance, sales positioning of products and other services customary to brokerage operations. Our agreement with Cantor provides for a perpetual term.

REVENUE SHARING ARRANGEMENTS

Under our Amended and Restated Joint Services Agreement, as amended, with Cantor and services agreements with TradeSpark, Freedom and Municipal Partners, LLC, we own and operate the electronic trading system and are responsible for providing electronic brokerage services, and Cantor, TradeSpark, Freedom or Municipal Partners, LLC provides voice-assisted brokerage services, fulfillment services, such as clearance and settlement, and related services, such as credit risk management services, oversight of client suitability and regulatory compliance, sales positioning of products and other services customary to marketplace intermediary operations. In general, for fully electronic transactions, we receive 65% of the transaction revenues and Cantor, TradeSpark or Freedom receives 35% of the transaction revenues. We and Municipal Partners, LLC each receive 50% of the fully electronic revenues related to municipal bonds. In general, for voice-assisted brokerage transactions, we receive 7% of the transaction revenues, in the case of Cantor transactions, and 35% of the transaction revenues, in the case of TradeSpark or Freedom transactions. In addition, we receive 25% of the net revenues from Cantor's gaming businesses.

SOFTWARE SOLUTION SERVICES

We also provide to Cantor, Tradespark, Freedom and Municipal Partners, LLC software solution services, including (1) systems administration; (2) internal network support; (3) support and procurement for desktops of end-user equipment; (4) operations and disaster recovery services; (5) voice and data communications; (6) support and development of systems for clearance, settlement and other fulfillment services; (7) systems support for brokers; (8) electronic applications systems and network support and development; and (9) provision and/or implementation of existing electronic applications systems, including improvements and upgrades thereto, and use of the related intellectual property rights. In general, we charge Cantor, Tradespark and Freedom the actual direct and indirect costs, including overhead, that we incur in performing these services. We charge Municipal Partners, LLC an amount based on the actual direct and indirect costs, including overhead, of providing such services. In exchange for a 25% share of the net revenues from Cantor's gaming businesses, we are obligated to spend and do not get reimbursed for the first \$750,000 each quarter of costs of providing support and development services for such gaming businesses.

INTELLECTUAL PROPERTY

Cantor has granted to us a license covering Cantor's patents and patent applications that relate to our eSpeed(R) system. The license is perpetual, irrevocable, worldwide and royalty free and is exclusive, except in the event that (1) we are unwilling to provide to Cantor any requested services covered by the patents with respect to a marketplace and Cantor elects not to require us to do so, or we are unable to provide such services; or (2) we do not exercise our right of first refusal to provide to Cantor electronic brokerage services with respect to a marketplace, in which events Cantor will have a limited right to use the patents and patent applications solely in connection with the operation of that marketplace. Cantor will cooperate with us, at our expense, in any attempt by us to prevent any third party infringement of our patent rights under the license. Cantor has also granted to us a non-exclusive, perpetual, irrevocable worldwide, royalty-free right and license to use the servicemarks "Cantor Exchange(SM)," "Interactive Matching(SM)," "MOLE(SM)" and "CX(SM)".

NON-COMPETITION AND MARKET OPPORTUNITY PROVISIONS

The Joint Services Agreement imposes performance obligations on us and restricts our ability to compete with Cantor and Cantor's ability to compete with us in markets that we and Cantor traditionally operate. We and Cantor have agreed to exclude the TradeSpark and Freedom marketplaces from the provisions of the Joint Services Agreement in order to enable us to enter into separate agreements in connection with these marketplaces.

ADMINISTRATIVE SERVICES AGREEMENT

Under our Administrative Services Agreement with Cantor, Cantor provides certain administrative and management services to us. Cantor makes available to us some of its administrative and other staff, including its internal audit, treasury, legal, tax, insurance, human resources, facilities, corporate development and accounting staffs. Members of these staffs arrange for our insurance coverage and provide a wide array of services, including administration of our personnel and payroll operations, benefits administration, internal audits, facilities management, promotional sales and marketing, legal, risk management, accounting and tax preparation and other services. We reimburse Cantor for the actual costs incurred by Cantor, plus other reasonable costs, including reasonably allocated overhead and any applicable taxes. We have also entered into arrangements with Cantor under which we have the right to use certain assets, principally computer equipment, from Cantor. These assets are subject to operating leases with third party leasing companies. Under the Administrative Services Agreement, we provide sales, marketing and public relations services to Cantor. Cantor reimburses us for the actual costs incurred by us, plus other reasonable costs, including reasonably allocated overhead. The Administrative Services Agreement has a three-year term which will renew automatically for successive one-year terms unless canceled by either us or Cantor upon six months' prior notice; provided, however, that our right to use our London office space expires at the earlier of (1) the time Cantor's lease expires in 2016; or (2) until Cantor ceases to be an affiliate of ours and Cantor asks us to vacate.

Pursuant to the Administrative Services Agreement, Cantor is required to obtain for us, among other things, property and casualty insurance of not less than \$40 million and business interruption insurance of \$25 million. Cantor has procured insurance coverage for us in these respective amounts; however, we are listed on this insurance policy as one of several insured parties, together with Cantor and several of its affiliates. This insurance policy is for aggregate amounts in excess of the amounts set forth above. The Administrative Services Agreement does not provide for the allocation of the proceeds among the named insureds.

Insurance proceeds paid to date have been paid to Cantor on behalf of all parties named on the policy, and Cantor has allocated these proceeds among the insured parties. Pursuant to this allocation, we received approximately \$20.5 million of property insurance proceeds in 2001 with respect to fixed assets of ours that were destroyed as a result of the September 11 Events. In addition, Cantor received \$40 million of business interruption insurance proceeds in 2002, of which approximately \$12.8 million was paid to us in August 2002 to compensate us for lost revenues and increased expenses as a result of the September 11 Events.

REGISTRATION RIGHTS AGREEMENT

Pursuant to the Registration Rights Agreement entered into by Cantor and us, Cantor has received piggyback and demand registration rights.

The piggyback registration rights allow Cantor to register the shares of our Class A common stock issued or issuable to it in connection with the conversion of its shares of our Class B common stock whenever we propose to register any shares of our Class A common stock for our own or another's account under the Securities Act for a public offering, other than any shelf registration of shares of our Class A common stock to be used as consideration for acquisitions of additional businesses and registrations relating to employee benefit plans.

Cantor also has the right, on three occasions, to require that we register under the Securities Act any or all of the shares of our Class A common stock issued or issuable to it in connection with the conversion of its shares of our Class B common stock. The demand and piggyback registration rights apply to Cantor and to any transferee of shares held by Cantor who agrees to be bound by the terms of the Registration Rights Agreement.

We have agreed to pay all costs of one demand and all piggyback registrations, other than underwriting discounts and commissions. We have also agreed to indemnify Cantor and any transferee for certain liabilities they may incur in connection with the exercise of their registration rights. All of these registration rights are subject to conditions and limitations, including (1) the right of underwriters of an offering to limit the number of shares included in that registration; (2) our right not to effect any demand registration within six months of a public offering of our securities; and (3) that Cantor agrees to refrain from selling its shares during the period from 15 days prior to and 90 days after the effective date of any registration statement for the offering of our securities.

POTENTIAL CONFLICTS OF INTEREST AND COMPETITION WITH CANTOR

Various conflicts of interest between us and Cantor may arise in the future in a number of areas relating to our past and ongoing relationships, including potential acquisitions of businesses or properties, the election of new directors, payment of dividends, incurrence of indebtedness, tax matters, financial commitments, marketing functions, indemnity arrangements, service arrangements, issuances of our capital stock, sales or distributions by Cantor of its shares of our common stock and the exercise by Cantor of control over our management and affairs. Four of our directors and a majority of our officers also serve as directors and/or officers of Cantor. Simultaneous service as an eSpeed director or officer and service as a director or officer, or status as a partner, of Cantor could create or appear to create potential conflicts of interest when such directors, officers and/or partners are faced with decisions that could have different implications for us and for Cantor. Mr. Lutnick, our Chairman, President and Chief Executive Officer, is the sole stockholder of the managing general partner of Cantor. As a result, Mr. Lutnick controls Cantor. Cantor owns shares of our Class A common stock and Class B common stock representing approximately 90.9% of the Total Voting Power of our capital stock. Mr. Lutnick's simultaneous service as our Chairman, President and Chief Executive Officer and his control of Cantor could create or appear to create potential conflicts of interest when Mr. Lutnick is faced with decisions that could have different implications for us and for Cantor.

Our relationship with Cantor may result in agreements that are not the result of arm's-length negotiations. As a result, the prices charged to us or by us for services provided under agreements with Cantor may be higher or lower than prices that may be charged by third parties and the terms of these agreements may be more or less favorable to us than those that we could have negotiated with third parties. However, transactions between us and Cantor and/or its other affiliates are subject to the approval of a majority of our independent directors. In addition, Cantor can compete with us under certain circumstances.

WILLIAMS AND DYNEGY

On June 5, 2000, each of Williams Energy Marketing & Trading and Dynegy purchased a unit consisting of (a) 789,071 shares of our Class A common stock and (b) warrants exercisable for the

purchase of up to 666,666 shares of our Class A common stock, for an aggregate purchase price for the unit of \$25.0 million. The warrants have a per share exercise price of \$35.20, a 10-year term and are exercisable commencing on December 5, 2005, subject to acceleration under certain prescribed circumstances. Acceleration results from the investment by Williams and/or Dynegy, along with at least two additional participants, in four new electronic and telephonic verticals to be formed by us and Cantor, which we refer to as Qualified Verticals, by an agreed upon date. The initial agreed upon date of June 2001 has been extended by the parties for a period not to exceed two years. We refer to such period as the Presentment Period. The Presentment Period operates in three month increments, and is subject to the right of Dynegy and Williams to refuse to grant an additional three month extension on not less than 30 days' prior notice to us. In connection with the four Qualified Verticals, Williams and, subject to certain limitations, Dynegy, will be entitled to invest \$25.0 million in shares of our Class A common stock at a 10% discount to the trading price of our Class A common stock determined at the time of the investment in the Qualified Vertical. If we present Qualified Vertical opportunities in accordance with the terms of the agreements, and either Williams or Dynegy does not invest in at least four Qualified Verticals, the non-investing entity will be required to make a \$2,500,000 payment to us for each investment not made, up to a maximum of \$10 million. Williams and Dynegy have already invested in the first Qualified Vertical presented to it, Tradespark.

At such time as Williams and Dynegy (or their permitted affiliate assignees) have made an aggregate equity investment in us of an amount equal to at least \$100.0 million, valued on a cost basis (and for so long as such parties maintain ownership of equity securities having such cost basis), Cantor will use its best efforts to cause one designee jointly selected by Williams and Dynegy to be nominated to our board of directors and to vote its shares of common equity in favor of such designee.

In connection with the Williams and Dynegy transactions, we purchased from Cantor 789,071 shares of our Class A common stock, representing half of the number of shares of our Class A common stock sold by us to Williams and Dynegy, for a purchase price of \$25.0 million. In addition, Cantor has agreed to sell half of the number of shares to be purchased by Williams and Dynegy, in the aggregate, each time an additional investment right is exercised in connection with a new Qualified Vertical for the same purchase price per share as is paid by Williams and Dynegy at the time.

TRADESPARK

On September 22, 2000, we made a cash investment in TradeSpark of \$2.0 million in exchange for a 5% interest in TradeSpark, and Cantor made a cash investment of \$4.25 million in TradeSpark and agreed to contribute to TradeSpark certain assets relating to its voice brokerage business in certain energy products in exchange for a 28.33% interest in TradeSpark. We and Cantor also executed an amendment to the Joint Services Agreement in order to enable each of us to engage in this business transaction. The remaining 66.67% interest in TradeSpark was purchased by energy industry market participants (EIPs). In connection with such investment, we entered into a perpetual technology services agreement with TradeSpark pursuant to which we provide the technology infrastructure for the transactional and technology related elements of the TradeSpark marketplace as well as certain other services to TradeSpark in exchange for specified percentages of transaction revenues from the marketplace. If a transaction is fully electronic, we receive 65% of the aggregate transaction revenues and TradeSpark receives 35% of the transaction revenues. In general, if TradeSpark provides voice-assisted brokerage services with respect to a transaction, then we receive 35% of the revenues and TradeSpark receives 65% of the revenues. Cantor also entered into an administrative services agreement with TradeSpark pursuant to which it provides administrative services to TradeSpark at cost. We and Cantor each received representation rights on the management committee of TradeSpark in proportion to our ownership interests in TradeSpark.

In order to provide incentives to the EIPs to trade on the TradeSpark electronic marketplace, which result in commissions to us under the TradeSpark technology services agreement, we issued 5,500,000 shares of our Series A preferred stock and 2,500,000 shares of our Series B preferred stock to a limited liability company newly-formed by the EIPs to hold their investments in TradeSpark and the Series A and B preferred stock.

MUNICIPAL PARTNERS

In January 2002, Cantor sold the assets of the business known as Municipal Partners, Inc., a municipal bond broker, to a newly formed limited liability company, Municipal Partners, LLC, formed by Brian Kelly, a former employee of Cantor, in exchange for a 25% special interest in Municipal Partners, LLC. Cantor had purchased substantially all of the assets of Municipal Partners, Inc. in July 2000. Cantor also loaned \$1,000,000 to Municipal Partners, LLC and is entitled to distributions equal to 5% of the gross revenues of the business less the amount of our revenue share for electronic transactions. Pending receipt of applicable licenses by Municipal Partners, LLC, Cantor provided Municipal Partners, LLC with interim services. In connection with the sale, we (1) granted Municipal Partners, LLC a non-exclusive license to use our software and technology to operate a municipal bond brokerage business; (2) will maintain our municipal bond trading platform and provide the software capabilities that were in place in Cantor's municipal bond business (we are to be compensated for upgrading the trading platform at cost plus a reasonable profit or at prevailing rates, at our election); (3) will provide web-hosting, technical and customer support at cost plus a reasonable fee to Municipal Partners, LLC; (4) will receive 50% of gross revenues of Municipal Partners, LLC with respect to electronic transactions; and (5) terminated existing arrangements with former brokers in the business (some of whom are deceased) pursuant to which we had given them shares of our Class A common stock valued at \$1,250,000 in exchange for promissory notes in the same amount, with the result that the notes were terminated and the shares were cancelled. We are currently reviewing Municipal Partners, LLC's compliance with its agreements.

FREEDOM INTERNATIONAL BROKERAGE

On January 29, 2001, we and Cantor formed a limited partnership to acquire 66.7% of Freedom International Brokerage. On April 4, 2001, we contributed 310,770 shares of our Class A common stock to the limited partnership, which entitles us to 75% of the limited partnership's interest in Freedom. We share in 15% of the limited partnership's cumulative profits but not in its cumulative losses. Cantor contributed 103,589 shares of our Class A common stock as the general partner. Cantor will be allocated all of the limited partnership's cumulative losses and 85% of the cumulative profits. The limited partnership exchanged the 414,359 shares for its 66.7% interest in Freedom. In addition, we issued warrants to purchase 400,000 shares of our Class A common stock to provide incentives to the Freedom owner-participants other than us and Cantor to migrate to our fully electronic platform. To the extent necessary to protect us from any allocation of losses, Cantor is required to provide future capital contributions to the limited partnership up to an amount that would make Cantor's total contribution equal to our investment in the limited partnership.

Upon the closing of the transaction, we entered into a services agreement with Freedom to provide for electronic trading technology and services and infrastructure/back-offices services. Under this agreement, we are entitled to 65% of the electronic transaction services revenues and Freedom is entitled to 35% of the revenues. We also receive 35% of revenues derived from all voice-assisted transactions, other miscellaneous transactions and the sale of market data or other information that is not incidental to the above services.

UBS

On August 21, 2002, we entered into a Global Fixed Income Transaction Fee Agreement (the Agreement) with UBS AG and certain named affiliates (collectively, UBS) and Cantor, for UBS to provide an electronic price feed to execute trades electronically on our eSpeed(R) system in U.S. Securities, Agency Securities, European Government Bonds, UK Gilts, Japanese Government Bonds and swaps of these various securities instruments. The Agreement has an initial term of two years and seven months commencing as of January 1, 2002. In addition to quarterly participation fees to be paid to Cantor, UBS will pay transaction fees to Cantor for each executed transaction. These fees will then be shared with us in accordance with our Joint Services Agreement with Cantor.

In connection with the Agreement, we issued to UBS a warrant to purchase 300,000 shares of our Class A common stock. The warrant has a term of 10 years and has an exercise price equal to \$8.75, the

market value of the underlying Class A common stock on the date of issuance. The warrant is fully vested and nonforfeitable, and is exercisable nine years and six months after issuance, subject to acceleration upon the satisfaction by UBS of its yearly commitment conditions as set forth in the Agreement. We will be incurring a non-cash charge equal to the fair value of the warrant on the date of issuance, which will be amortized over the term of the Agreement. We have also agreed to issue an additional warrant to purchase 200,000 shares of our Class A common stock at an exercise price equal to the market value of the underlying Class A common stock on the date of issuance if the Agreement is renewed for another two and one-half year term.

In addition, we have provided UBS with piggyback registration rights for the Class A common stock underlying the warrants.

OUR EMPLOYEES' PURCHASE OF CANTOR FITZGERALD, L.P. PARTNERSHIP UNITS

We paid a cash bonus to six of our employees totaling \$2.3 million in early 2001. These employees used the after-tax amount of the bonus to purchase units in Cantor Fitzgerald, L.P. Three of these persons, one of whom is Mr. Noviello, our Executive Vice President and Chief Information Officer, are still employees of ours. With respect to these persons, when an employee is no longer a partner of Cantor (typically if he ceases to be employed by us), and if the employee has been employed by us for a period of more than four years and does not go to work for a competitor, then the employee will receive his capital in Cantor in four equal annual installments, with interest at an applicable federal rate. Amounts not paid to an employee who leaves before the fourth anniversary, or who leaves and competes with us, Cantor or any of its affiliates, will be paid to us.

INDEMNIFICATION BY CANTOR

Although we do not expect to incur any losses with respect to pending lawsuits or supplemental allegations relating to Cantor and Cantor's limited partnership agreement, Cantor has agreed to indemnify us with respect to any liabilities we incur as a result of such lawsuits or allegations.

REVERSE REPURCHASE AGREEMENTS

We enter into overnight reverse repurchase agreements with Cantor. At June 30, 2002, the reverse repurchase agreements totaled \$164.1 million, including accrued interest. The securities collateralizing the reverse repurchase agreements are held under a custodial arrangement with a third party bank.

REPORT OF THE AUDIT COMMITTEE OF OUR BOARD OF DIRECTORS

In discharging its oversight responsibility, the Audit Committee, consistent with Independence Standards Board No. 1, "Independence Discussions with the Audit Committees," obtained from our independent auditors a formal written statement describing all relationships between our independent auditors and us that might bear on the auditors' independence. The Audit Committee has met and held discussions with management and our independent auditors. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and our independent auditors. The Audit Committee has discussed with our independent auditors matters required to be discussed by the Statement on Auditing Standards No. 61.

The Audit Committee has reviewed with our independent auditors their overall audit scope, audit plans and assessed the coordination of the audit effort to ensure completeness of coverage. The Audit Committee has met with our independent auditors and management to identify financial risk exposures. The Audit Committee has met with our independent auditors, with and without management present, to discuss the results of their examinations, the adequacy of our internal controls and the integrity of our financial reporting processes. The Audit Committee has reviewed an analysis prepared by management and our independent auditors of significant financial reporting issues and judgments made in connection with the preparation of our financial statements.

Based on the above mentioned reviews and discussions with management and our independent auditors, the Audit Committee recommended to our board of directors that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2001. The Audit Committee also recommended the reappointment of our independent auditors and our board of directors concurred with such recommendations.

INDEPENDENT AUDITORS' FEES

In addition to retaining Deloitte & Touche LLP to audit our consolidated financial statements for 2001, we retained Deloitte & Touche LLP to provide consulting services and to audit our Deferral Plan. FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES: No fees for financial information systems design and implementation were billed or paid during 2001.

ALL OTHER FEES: The aggregate Deloitte & Touche LLP fees billed for 2001 for services other than as set forth above were \$321,000 for consulting services and auditing our Deferral Plan. To date, fees billed for the services of Deloitte & Touche LLP in connection with the events of September 11, 2001 amount to \$1,442,187. INDEPENDENT AUDITORS

Upon the recommendation of the Audit Committee, our board of directors selected Deloitte & Touche LLP as our independent auditors for our fiscal year ending December 31, 2002. One or more representatives of Deloitte & Touche LLP are expected to attend our Annual Meeting to respond to appropriate questions. They will have an opportunity to make a statement if they so desire. Material non-audit services will be approved by the Audit Committee prior to the rendering of such services after due consideration of the effect of the performance thereof on the independence of our auditors.
